

## Supporting Ukrainian families and their pets

Hello,

We are deeply saddened by the events in Ukraine and the impact the war is having on people and their pets. At Petplan, we know that pets are part of the family and that many Ukrainian's are taking their pets with them as they flee to safety.

We believe that all pets deserve the best care and Petplan will be helping to support pets impacted by the crisis in a number of ways.

**We will provide free Petplan insurance to Ukrainian families bringing their pet to the UK** via the government's Homes for Ukraine scheme, so they can access the veterinary care they need. Ukrainian families (or their English-speaking hosts) should call Petplan on 0330 057 3662 to access this support.

We also recognise that a number of pets are likely to remain with families in Ukraine and thanks to the generosity of Petplan customers, **the Petplan Charitable Trust will be donating £25,000 to the Blue Cross Ukraine Pet Welfare Fund**. The Fund is helping both people and pets in Ukraine, as well as those crossing the borders, by providing pet food, pet carriers and essential aid for pets.

Our thoughts remain with those impacted by this heart-breaking situation,

Best Regards,

*The Petplan Team*
